

National Collegiate 4-H Service

Project of Emphasis

What is a National Service Project of Emphasis?

Every year, the National Collegiate 4-H organization adopts a new Service Project of Emphasis that lasts for the duration of that year. Collegiate 4-H clubs throughout the country participate in this project throughout the year.

Permanent National Service Project

The Permanent Service Project for the National Collegiate 4-H Organization will be an **emphasis on youth, defining the interaction between Collegiate 4-H Clubs and the 4-H program at the local level.**
