CLK Discussion

Tommy received information from Patrick, though there are still some hang ups. Tommy probably won't be trained for CLK because of the training being at the same time as the business meeting. Discussed some different problems this presents and some options.

Strategic Plan

There weren't any major revisions that were needed. Amber noted that her name had not been spelled properly and that it had been corrected. April had a few wording suggestions that she promised to email Tommy.

National Constitution and Bylaws

Discussed some different possibilities of broaching the subject at the next NAB meeting. Amber also had a few wording issues that were mentioned and taken into consideration.

New Business

Updates from Clubs

Nevada Reno

Sent out information about a effort to support the troops and mentioned that it also was posted on the national site.

Colorado State University

Working on grants to fund excursion to Nationals. Also, the club recently had officer elections.

Wyoming

No updates

Next NAB Meeting

There hasn't been an agenda released so there is not much to cover.
Commented that the region did know what they were going to mention
(Strategic plan and Constitution)

It's almost finished. There are a few bugs still to work with, but it should
be up and running here soon. Need different paperwork from the past.
